**Where Do I Belong?**

**activity**

**Instructions:**
Color the reptiles red, the birds blue, and the mammals yellow. On the line beside each picture, circle the correct skin covering for each animal.
Healthy Habitats activity

Instructions:
Where do I live? Cut out the animals, and place them in their habitats. Color the animals to blend into their habitats.

ocean

river
Instructions:
Match the animal name to the foot. Match the foot to an action word. Be ready to tell why you chose that action word.

Note: Answers for action words vary per student. These are only suggestions.
